Hi Ben,  
The samples were collected on Saturday, October 25.

I expect to have the report from EH&E at the end of this week or the beginning of next week.

I will send them to you when received and posted to the Town website.

Regards,  
Pat

Dear Mr. Goddard,

Can you please let me know when the last air quality test occurred at Estabrook, and when you expect the results from EH&E.

Thank you.  
Ben Esty
